Dear Mr. Hauschild:

Thank you for your time and effort in sponsoring the Hinkson Creek Clean-Up, September 7, and also for including the Department of Conservation as a sponsor. Over the last month we have received many favorable comments regarding the clean-up and I know that a large event succeeds that well only with a great deal of work. I understand from my staff that it was primarily yourself, your staff and Bill Woodward that handled the organizational details and the legwork for the event. You all did an excellent job.

It's gratifying to see businesses take such an interest in improving our state's resources and sponsor a local clean-up. We at the Department appreciate your interest, hard work and the opportunity to participate that day. Congratulations on an excellent job and please keep us informed of similar events in the future. We would welcome the opportunity to work with you again.

Dear Scott,

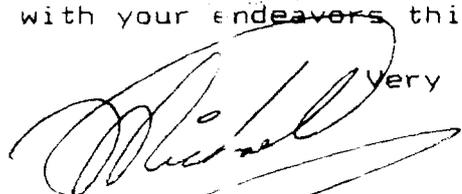

Greetings from Arrow Rock!! We hope that this finds you well. We just closed our **30th Anniversary Season** last Sunday and what a Season it was. We had record breaking attendance totaling 17,373. 1990 marks are most attended season in the history of the Lyceum.

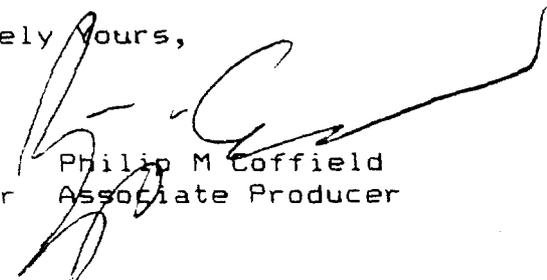

We want to take this opportunity to thank you again for your sponsorship of our production of **THE FOREIGNER**. It was a very fine production and one that people will remember for a very long time. **THE FOREIGNER** could not have been a success without your much needed support, and we hope that you are as proud of it as we are.

The Lyceum simply could not operate and maintain her level of success without the constant support we have recieved from our friends at **KFMZ** and we are greatly indebted to you.

We are already busy planning our spectacular 1991 season as well as our Holiday Production and Festival of The Arts. This year we will be producing a wonderful, fun-filled musical for the entire family called **NUNSENSE**. We will be at The Missouri Theatre in downtown Columbia from December 13-16, and we hope that you will make plans to attend. It should be a marvelous production. We look forward to working with you in the future and hope you will keep us in mind for 1991. Again **THANK YOU** and best wishes with your endeavors this fall.

Dear Richard,

Greetings from the Lyceum! We hope that this finds you well. We have just closed our 1991 Holiday Production and Festival of the Arts, and what a wonderful weekend it was. All told more than 3100 people were able to attend and the production was very well received. We wanted to take this opportunity to express our gratitude to you and 98 KFMZ for sponsoring **Annie**.

As 1991 progresses and the recession becomes more and more apparent we are reminded how fortunate we are to have friends like you who continue to support the Lyceum even in these difficult times. Artistically this is without a doubt one of our most flourishing seasons in the history of the Lyceum.

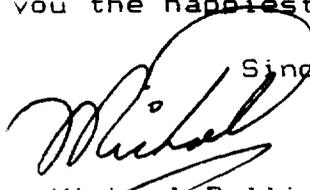

As we move into Winter we are busy with many upcoming projects. We are already starting to make plans for 1992 which promises to be a very exciting year for the Lyceum. We hope to bring our 1991 season opener **SMOKE ON THE MOUNTAIN** to Columbia sometime this spring for a special limited engagement.

We are busy with plans for our upcoming 1992 Summer Season in Arrow Rock. We hope that you will consider being apart of the Lyceum in the coming year, as we are always proud to have your support. We will be contacting you early in 1992 with more details about the upcoming year. Plans for a possible expansion of the Lyceum, a very exciting and fascinating proposition to say the least, continue. We are encouraged by them and will keep you posted as plans progress.

Once again our most profound thankfulness to you for your support of our 1991 Holiday Production and Festival of the Arts. We are very proud of our work and hope that you are proud to have been a part of it. We wish you the best with your endeavors this Winter and hope you will join us for our exciting 1992 season. Here's wishing you the happiest of Holidays!!

Sincerely Yours,

Dear Richard,

Greetings from Missouri's new show place! We hope that this finds you well. It has certainly been an exciting year for us so far, and we want to thank 98.3 KFMZ for being a part of it. Your Sponsorship of SINGIN' IN THE RAIN is deeply appreciated not only by us, but also by the thousands of people who attended. It was a fine production and one that we hope made you proud.

The Lyceum simply couldn't exist without the support of our dedicated sponsors. You are the life line of Missouri's oldest regional theatre. You are keeping the arts thriving in Mid-Missouri. We thank you for this.

With the completion of our beautiful expansion, more people than ever have visited the Lyceum this season. We have embarked on a new era here at the Lyceum, one full of promise, possibilities, and, we hope, great things to come.

We have already started to discuss what lies ahead for us next season. The planning process is involved, but in a few short months we will fill you in on what we have in store for 1994. We hope that you will consider being a part of next year and help us keep the Lyceum dream going.

We are proud that you helped make this astounding season happen. We are forever grateful to you, and wish you the best with your endeavors this fall.

Greetings from Arrow Rock! We hope that this finds you well. Things here at the Lyceum are slowing as we close out our 35th summer season. It has been a phenomenal year! We are quite proud of the success of this season and it would have never happened without your help and support.

Attendance was quite remarkable with some 27,000 attending the Lyceum this season. We have increased our attendance in the last three seasons by over 10,000. That is quite remarkable considering the fact that Arrow Rock has a population of seventy. This would never be possible without the help of our wonderful sponsors like you

We wanted to take this opportunity to thank you for your sponsorship of our 1995 summer season. It was artistically a great year and a real crowd pleaser.

This continues to be a very exciting and challenging time for us, and we are so pleased that you are a part of what makes the Lyceum work. We are already busy making plans for our 36th season next year. We hope that you will want to be a part of it. We will be in touch as we firm plans up for next season. If we can be of assistance to you with anything please do not hesitate to contact us. Again, our sincere thanks for making Mid-Missouri's only professional theatre a reality.

I just wanted to take this chance to personally thank you for helping us with our bell-ringing efforts on Monday, December 13th. It always means so much more when someone is willing to volunteer their time to ring bells for The Salvation Army. During the time that you rang bells at the Capital Mall, you raised \$60.17. That is \$60.17 more that The Salvation Army can help those in need.

On behalf of Captain Don Kincaid and The Salvation Army, I thank you both for what you have done. We appreciate your help and interest in our Christmas effort. If there is anything else that we can do or work together on, please feel free to call.

The word "*success*" is defined as "*the achievement of something attempted*". The 1995 University of Missouri System Staff Recognition Week attempted and achieved a very successful week because of your business -- **KFMZ Radio Station**.

Your gift of 6 Swoozies, and 2 CD's helped make our annual staff picnic a very exciting one. The University of Missouri System Staff Advisory Council and I wish to congratulate you for your willingness to be a part of our Staff Recognition Week and thank you for helping us achieve our Week's theme of "*Reaching for the Sky in '95*". Without your gift, our successful week would not have been nearly as fun and exciting.

Again, thank you for providing 6 Swoozies, and 2 CD's and I wish you the very best in 1995!

Dear Mr. Hauschild:

The University of Missouri Athletic Department would like to thank you and your organization for your participation in the 1992 FunFest. In spite of the weather conditions, almost everyone involved seemed to enjoy themselves and said they felt the FunFest was a success.

The sports marketing department welcomes your suggestions to make future FunFest activities even more successful. If you have any ideas or suggestions, please feel free to give us a call or drop us a short note.

We certainly want to invite your participation again next year. Although it is too early to finalize a date, the Black and Gold Football Game and FunFest normally take place on the last Saturday in April. If this holds true, next year's date will be April 24, 1993. You should receive information from us early next year with a final date and other instructions.

Again, thanks very much for your participation.

Sincerely,

A handwritten signature in cursive script that reads "Scott J. Smith".
